## INTRODUCTION AND CALENDAR

---

The “IAAF Race Walking Challenge” is an annual series of race walking competitions around the world in which athletes accumulate points for the right to compete in the IAAF Race Walking Challenge Final and to share over 200,000 USD in prize money.

Each year, the IAAF Race Walking Challenge consists of:

- qualified scoring events contested at competitions that have been designated as part of the “IAAF Race Walking Challenge” (see below)
- a Race Walking Challenge Final where the athletes that have participated in at least three Challenge events during the year will compete for a share of the overall prize money

For 2011, the competitions designated as part of the Challenge are divided into the following three categories:

- Category A: The IAAF World Championships in Athletics, Daegu (KOR), 27 August – 4 September
- Category B: four IAAF Permit Race Walking Meetings
  - Chihuahua (MEX), 5 March
  - Rio Maior (POR), 9 April
  - Taicang (CHN), 22 April
  - Sesto San Giovanni (ITA), 1 May
- Category C: four Area Permit Race Walking Meetings
  - Hobart (AUS), 19 February
  - Lugano (SUI), 20 March
  - Dudince (SVK), 26 March
  - Dublin (IRL), 26 June

The 2011 Race Walking Challenge Final will take place in La Coruña (ESP) on 17 September.

The IAAF Race Walking Challenge Regulations, which establish the obligations of the Organisers, the Qualified Athletes and those entitled to receive financial support, the Scoring System and Qualification for the Challenge Final, and the Prize Money to be awarded for 2011, can be found in Appendix.

A specific section of the IAAF website is dedicated to the Race Walking Challenge and contains results, updated standings, news articles, etc. The link is: [www.iaaf.org/wrc11](http://www.iaaf.org/wrc11)

This Handbook contains:

- the full 2011 Regulations
- the list of athletes entitled to receive financial support
- the list of qualified athletes whose participation is essential to guarantee that any event scores for the Challenge (see specific chapter in regulations)

Any updated information that should be received by the IAAF after publishing this Handbook will be available on the dedicated pages of the IAAF website (see above).

# IAAF RACE WALKING CHALLENGE 2011 REGULATIONS

---

## 1 General Principles

- 1.1 The IAAF organises the “IAAF Race Walking Challenge” every year.
- 1.2 Each year, the IAAF Race Walking Challenge will consist of:
- qualified scoring events contested at competitions that have been designated as part of the “IAAF Race Walking Challenge” (see 1.3)
  - a Race Walking Challenge Final where the athletes that have participated in at least three Challenge events during the year will compete for a share of the overall prize money (see 5)
- 1.3 For 2011, the competitions designated as part of the Challenge are divided into three categories as follows:
- Category A IAAF World Championships, Daegu (KOR), 27 Aug–4 Sep
  - Category B Four IAAF Permit Race Walking Meetings
    - Chihuahua (MEX), 5 March
    - Rio Maior (POR), 9 April
    - Taicang (CHN), 22 April
    - Sesto San Giovanni (ITA), 1 May
  - Category C Designated Area Permit Race Walking Meetings (see 3)
- 1.4 The events may take place on road or track, but must be over standard distances:

	Road			Track		
<b>Men</b>	10km	20km	50km	10,000m	20,000m	50,000m
<b>Women</b>	10km	20km		10,000m	20,000m	

For road events, the Organisers must abide by IAAF Rules 230.10 and 240.3.

- 1.5 These Regulations may be amended every year by the IAAF.

## 2 Obligations of the Organisers of Category B Competitions and the Challenge Final

- 2.1 Organisers must send a Permit Application Form to the IAAF. All applications to hold a meeting must be endorsed by the relevant IAAF Member Federation.
- 2.2 For each event contested, a selected panel of 15 athletes, based on the agreed criteria, shall be entitled to receive financial support from the Organisers as detailed below. In no case more than 3 athletes from any one country will be counted for each event. The panel with the full list of athletes for each event is attached in Appendix A.

For the Challenge Final however, the 15 athletes (8 + 7) entitled to financial support shall be identified according to the ranking of the Challenge established after the last Permit Meeting of the Challenge (to be determined after applications from the Area permit Meetings have been received). In addition, the organisers of the Final shall provide full financial support (travel and accommodation) to a maximum of 3 other invited athletes (wildcards) identified by the IAAF in cooperation with the LOC.

### 2.2.1 Travel and Accommodation

Organisers shall accept the entry of and provide economy class travel and full board accommodation (for a maximum of 4 nights) for 8 athletes in each event contested, on condition that the entry is received no later than 2 weeks before the day of the competition.

### 2.2.2 Accommodation only

Organisers shall accept the entry of and provide full board accommodation (for a maximum of 4 nights) for 7 athletes in each event contested, on condition that the entry

is received no later than 4 weeks before the day of the competition.

- 2.3 Organisers may conduct negotiations for the appearance and promotion of athletes as follows:
- through the Athletes' National Federation
  - directly with the Athletes (formal invitations shall be made through relevant National Federations)
  - through duly authorised Athletes' Representatives
- 2.4 Organisers must not deal with unauthorised ARs.
- 2.5 If the event takes place on the road, the Organisers must provide an IAAF measurement certificate established by an IAAF/AIMS grade "A" or "B" International Road Race Course Measurer. Furthermore, the same measurer should be on site during the competition to certify that the course used by the athletes is the one that was measured.
- 2.6 At least 6 judges (representing 5 countries) including the Chief Judge must be on duty. All Judges must be chosen from either the International (IRWJ) or Area (ARWJ) Race Walking Judges Panels. This list must be made known to the IAAF. For the Final, the IAAF will appoint the Chief Judge.
- 2.7 For all judges, the travel and accommodation shall be paid by the Organisers.
- 2.8 Organisers are responsible for the travel and accommodation of the IAAF Delegate appointed for the competition. This Delegate is the official representative of the IAAF and will have the required technical knowledge. He will submit a report to the IAAF within two weeks after the competition.
- 2.9 Organisers are responsible for the accommodation costs of one IAAF Staff Member.
- 2.10 Organisers will organise doping controls under the following conditions:
- a) They guarantee that they will respect the IAAF Rules and Regulations
  - b) There will be a minimum of 6 tests in total
  - c) Research on EPO will be conducted
  - d) The analyses shall be conducted at the WADA Accredited Laboratory appointed by the IAAF
  - e) All costs related to the doping controls will be borne by the Organisers
- 2.11 Organisers shall provide the following Medical Services:
- On site emergency assistance
  - Minor stitching
  - Emergency Ambulance Service
- 2.12 Organisers must take out an appropriate insurance policy for their public liability but also to cover any accident which might occur to athletes and officials.
- 2.13 Organisers should make their best efforts in order to arrange TV coverage of the competition and provide IAAF with a tape and the right to use up to 5 minutes for promotional purposes.
- 2.14 Media and TV facilities should be set up in accordance with the IAAF Guidelines.
- 2.15 Organisers must submit to the IAAF
- within 2 hours, the full results of the competition
  - within two weeks after the competition, a post event report
- The results will be posted on the IAAF website no later than 24 hours after the competition
- 2.16 Organisers will display, at their cost, at least one IAAF board (or banner) (6m x 1m) in the finish line area (exact layout to be requested from the IAAF HQ).
- 2.17 Organisers will also display the IAAF's name and logo on all printed material (bulletin, leaflet, starts list, results, etc.).

### 3 Area Permit Race Walking Meetings

- 3.1 Participation at selected Area Permit Race Walking Meetings can also award points towards the Challenge rankings.
- 3.2 In order for such Area Meetings to be considered for inclusion in the Race Walking Challenge, the following conditions apply:
- the IAAF must receive the relevant Application Form by 31 December 2010
  - there must be no clash of date with existing Category A or B events
  - the course must be measured by an IAAF/AIMS Grade “A” or “B” International Road Race Course Measurer
  - a minimum of 3 International or Area Race Walking Judges (representing at least 2 countries) must be on duty
  - a minimum of 4 doping control tests must be carried out
  - athletes from at least 4 different countries must compete in each race
- 3.3 The IAAF reserves the right to accept or reject the application.
- 3.4 The list of Area Permit Race Walking Meetings included in the Race Walking Challenge will be published on the IAAF website by 31 January 2011.

### 4 Ranking

- 4.1 Athletes will be able to score points depending on the Category of the competition and the ranking will be established according to the following scoring system:

Position	Points		
	Category A	Category B	Category C
1 <sup>st</sup>	20	12	6
2 <sup>nd</sup>	16	10	5
3 <sup>rd</sup>	14	8	4
4 <sup>th</sup>	12	7	3
5 <sup>th</sup>	10	6	2
6 <sup>th</sup>	8	5	1
7 <sup>th</sup>	6	4	
8 <sup>th</sup>	5	3	
9 <sup>th</sup>	4	2	
10 <sup>th</sup>	3	1	
11 <sup>th</sup>	2		
12 <sup>th</sup>	1		

- 4.2 To be considered as a “scoring event”, the following minimum number of “qualified walkers” must have taken part in the event:

#### 4.2.1 Category B

- For competitions held in Europe: 10 “qualified walkers” coming from at least 5 countries
- For competitions outside Europe: 7 “qualified walkers” coming from at least 4 countries

#### 4.2.2 Category C

- For competitions held in Europe: 6 “qualified walkers” coming from at least 4 countries
- For competitions outside Europe: 4 “qualified walkers” coming from at least 3 countries

- 4.3 For the purpose of clause 4.2, a “qualified walker” is defined as being:

- either ranked in the Top 50 of the previous year's IAAF official performance list in the standard walking events (20km Road or 50km Road Men – 20km Road Women)
- or Top 8 finishers of the 2008 Olympic Games, 2009 IAAF World Championships in Athletics or 2010 IAAF World Race Walking Cup.

4.4 If an event cannot be considered as “scoring” (in accordance with clause 4.2), the points defined in clause 4.1 will nevertheless be awarded to the athletes having achieved the “A” standard for the 2011 World Championships in Daegu (KOR). In case of competitions held at an altitude of 1500m or over, the “B” standard shall be taken as reference. For the 10km events the performances to be achieved shall be 40:30 for the Men and 46:00 for the Women.

4.5 In order to be ranked, an athlete must participate in at least three events listed under 1.3. Athletes that are disqualified (DQ), will NOT be considered as having participated in that event. Although he may compete in as many competitions listed under 1.3 as he wishes, the athlete will be ranked only according to his best three scoring results.

4.6 Any athlete achieving a new World Record (on track or road) will be awarded 4 bonus points in addition to the ones he will receive as a result of his finishing position.

4.7 In the case of a tie for the ranking prior to the Final, affecting the right to financial support, this will be resolved in favour of the walker with the highest finishing position in any of his best three scoring events. In case of further tie(s), the other finishing positions will determine the ranking.

## 5 Challenge Final – Participation and Eligibility for Overall Prize Money

5.1 The 2011 Race Walking Challenge Final will take place in La Coruña (ESP) on 17 September.

5.2 One men's and one women's race will be contested, both on road, over a distance of 10km.

5.3 Participation in the Challenge Final is open to all athletes but only those that have participated in at least three Challenge events during the year are eligible for the overall prize money.

5.4 The overall prize money shall be awarded only at the Challenge Final on the basis of the eligible athletes' finishing positions.
